Dear Michigan Supreme Court

I am writing you to see if you can help me I understand some people want you to stop companies from paying out for asbestos claims.

I worked for 37 yrs. in a steel plant and lost my job this past summer I have asbestos on my lung this is giving me trouble now and will only get worst. I need some help this and one way to help me would be let the payments go to the people I needs them please

What are the true facts about asbestos litigation in Michigan? In fact in the last four years, there has been one asbestos case tried to verdict in the entire State of Michigan. All ~~RECEIVED~~ settled before trial.

If at all possible please dont  
listen to law firms like Dickinson  
right there out for the busines that  
sold asbestos and sold to other busine

Thank you
